Notes:

1. These hours are based on SAA syllabi. Individual experiences will vary. All students must meet the minimum standards of the appropriate EASA test standards to be eligible to take the EASA skills test.
2. All prices are subject to change.
3. Training in addition to the package hours are billed at current SAA rates.
4. The package price quoted is for group theory training. Individual theory training available for additional fees upon request.
5. The FI course has 4 starts per year. Please enquire at admissions@saaintl.com for details. Individual courses available upon request.
